

RAPTOR

Brad Nailers

OMER 12P.25

OMER 12.20P

The OMER 12P.25 brad nailer drives the full range of RAPTOR® 18 gauge composite brad nails from 7/16" (11 mm) through 1" (25 mm) lengths.

Weighing in at only 2.29 lbs. and sporting a rubber comfort grip, the OMER 12P.25 brad nailer is designed for ease of use all day long. The 12P.25 has an added feature that prevents firing if the magazine is empty.

The 12.20P brad nailer drives RAPTOR® 18 gauge composite brads from 7/16" through 3/4" in length.

The narrow nose of both tools allow for superior nail placement in hard to reach areas and corners. Additional features include, a safety trigger, rear exhaust and an easy top-load design. The compact designs provide tools that make it easy to use all day long.
